**Starvation in Orissa**

† 1779. SHRI JANESHWAR MISHRA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that whole of the Orissa is passing through a phase of frightening starvation and the benefit of none of the schemes, run by Government, has reached the people; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) and (b) As on 24th July, 2002, out of 28 districts of the State, 1 had scanty and 20 had deficient rainfall in Orissa. While the situation gives cause for serious concern and careful contingent planning, there is no report suggesting a phase of acute distress. Similarly, while there may be room for improvement in implementation of development schemes in the State, it will neither be correct nor fair to consider that these have failed to result in benefits to the State.
